MALIHINI MEMBERSHIP MEETING

Friday, July 10th, 2026

MEETING LOCATION

The South Bay Historical Railroad Society (SBHRS)

1005 Railroad Avenue, Santa Clara, California (between the Santa Clara Police Department & Santa Clara University)

SETUP STARTS AT 7PM, MEETING AT 7:30PM

SPEAKER: Robert Hamilton

**TOPIC: The Victorian Orchid Craze and
Its Odontoglossum Legacy**

The 19th Century was the age of discovery, communication, information and transportation. A passion for orchids occurred by the end of the 19th Century in England and given England's climate, cool-growing andean orchids were favorites. The hybrid legacy of those years is carried forward in today's hybrids. My talk spends a fair amount of time on the history of the 19th Century as it relates to plants and then introduces John Leathers and my enthusiasm in breeding and growing high elevation neo-tropical orchids.

OPPORTUNITY PLANT TABLE:

Bob Hamilton, John Leathers & Orchid Design will provide the plant table.

SPEAKER BIO:

I was born in Berkeley, California in 1946. My partner, John Leathers and I bought our first house in 1977, which formerly belonged to singer Country Joe McDonald. It had an attached solarium which we began filling with rare plants and orchids. Orchids became our passion. We currently grow in a 3200 foot rented greenhouse on the Pacific Coast and hybridize plants. We do our own lab work. Careerwise, I was Principal Development Engineer for shared world renowned semiconductor research facilities at UC Berkeley, retiring in 2017.

NEW / RETURNING MEMBERS:

Welcome back to Chen-Hao Hsu. Thanks for your orchid contribution to June plant table.

PRESIDENT'S MESSAGE:
